

WAITING

Sometimes I want something, but I have to wait.

When my teacher is helping someone else, I have to wait.

Sometimes I have to wait to get a drink of water.

Sometimes I have to wait in line to get my lunch.

Learning to wait means taking turns and being patient.

When I have to wait, I know it will only be for a little while.

Then it will be my turn and I won't have to wait anymore.
